

Hello Third Grade Students,

My name is Elroy the Elk. My friends at the Vero Beach Elks Lodge have a gift for you. It is called **A Student's Dictionary**. This will be very helpful to you now that you are reading to learn more.

We usually go to your school and give this dictionary to you in person, but we cannot do that this year. My job is to make kids aware of the dangers of drugs. I have put a red bookmark in your dictionary with a message to remind you of that.

Enjoy your new dictionary and use it often.

Your friend,

Elroy the Elk
