

How to Add This Linktree Site to your Smart Phone's Home Screen

iPhone

When using the **Safari** browser...

- *Step 1: Click the three dots on the bottom right of the screen
- *Step 2: On the next screen, tap the Share icon (a square with an arrow pointing upwards) at the top of the screen
- *Step 3: On the next screen, tap the View More V button
- *Step 4: On the next screen, tap the "Add to Home Screen" option
- *Step 5: On the next screen, you may optionally rename the shortcut
- *Step 6: Confirm the action by tapping the "Add" button in the top right corner

When using the **Chrome** browser...

- *Step 1: Locate and tap the Share icon (a square with an arrow pointing upwards) at the very top right of the screen
- *Steps 2 -5: Same as Steps 3-6 for Safari

When using the **Firefox** browser...

- *Step 1: Locate and tap the Share icon (a square with an arrow pointing upwards) at the very top left of the screen
- *Steps 2 -5: Same as Steps 3-6 for Safari

Android

To add this webpage to your Android home screen when using a browser like Chrome...

*Step 1: Locate and tap the share icon (usually three dots).

*Steps 2 -5: Same as Steps 3-6 for Safari

Using either instructions above, the LinkTree icon will now appear on your Home Screen, ready for quick access anytime. At any time, you'll be just one click away from access to all the information you'll need about our Lodge.
